Follow the adventures of a young girl, Satori as she travels through Surreality, in search of the other half of her heart. Along her journey she meets friends who promise to help her, barely escaping monsters like Suffocation and Reality who almost steal her imagination along with all the color in her life. As she comes to the end of her path, she begins to understand what wholeness truly means and how it is the quest itself that has shown her the meaning. It all begins with a quest.
